

PROGRAM

GREAT INDIANA  
**STATE FAIR**  
2007

AUGUST 8★19

THERE'S NO BETTER TIME!

The 2007 Indiana State Fair features a new program that highlights a Hoosier homegrown agricultural product. This year's featured product: **corn**.

Although we all know there's more than corn in Indiana, there aren't any crops that are in any higher demand. Every day, corn touches every person in some way. From the sweet corn we eat to feed for livestock to the corn ethanol boom! As many as 6.2 million acres of that will be grown right here in Indiana.

**To celebrate, the Indiana State Fair has created these unique corn features:**

- Lots of maturing corn stalks growing all over the fairgrounds
- The Gazebo Gift Shop decorated as a giant basket of corn
- A new corn-based Indiana State Fair signature food
- A special corn cooking contest in the Home & Family Arts dept.
- A celebrity corn shucking contest in Pioneer Village August 15
- Indiana State Fair American Cornhole Tournament with finals in the Farm Bureau Building August 19
- Free Pop Weaver Popcorn microwave popcorn given away at the gates August 11
- A children's corn cob toss in the Riley Fun Park on Kids' Day, August 13

---

**And if that isn't enough, you can always enjoy a freshly cooked ear of roasted sweet corn throughout the 12 days of your GREAT Indiana State Fair.**

# WELCOME TO THE 2007 STATE FAIR!

It's time once again for one of Indiana's greatest traditions: the Indiana State Fair. For the 151<sup>st</sup> time, the State Fair honors the best that Indiana has to offer, and I'm pleased you've decided to join us for this wonderful celebration of Hoosier heritage.

Indiana has always been one of America's leading agricultural states and the State Fair showcases its grand traditions. This year is the "Year of Corn" at the fair, so while you're enjoying the animals, competitions, music and midway, please take a moment to find out more about one of Indiana's top crops and why it is so significant to the Hoosier economy. I hope you will also be able to join my wife Cheri as she leads the Heartland Walk for Health on August 11.

Past, present and future, there's plenty to celebrate in Indiana. I hope this year's State Fair helps you do just that.

Sincerely,

Mitch Daniels  
Governor

TUNDRA

These four Toyotas have something in common with all the corn and livestock you'll see at the fair — they were cultivated *right here*, by the people of Indiana. **Camry, Sequoia, Sienna** and the new **Tundra** are all built right here, in one of our two plants, located in Lafayette and Princeton. And because some 5600 members of your community have helped make Toyota the number one automaker in the world, we are proud to support the tradition of the Indiana State Fair.

## Enjoy the Fair... Wash Your Hands!

One of the best parts of the Indiana State Fair is getting close to all the different animals. The safest way to enjoy the animals is to make sure to wash your hands after each time you have contact with any of them. This is especially true for young children.

As you stroll around the fairgrounds, you will notice dozens of hand-sanitizing stations and restrooms. Please use these to keep your hands clean, especially if you are preparing to enjoy some of your favorite Fair foods. In fact, you should make sure to clean with soap and hot water before you eat.

Be smart, stay healthy. Pet the animals, then WASH YOUR HANDS! It's the best way to enjoy your Great Indiana State Fair.
